NETTA CEILING LAMP BY ANTONIA ASTORI

\$1,115

DESCRIPTION

This ceiling lamp was born out of the collaboration between Tato and designer Antonia Astori. A superb piece of functional decor, this elegant lamp will infuse with understated sophistication a modern home, thanks to its geometric lines and the contrast in colors and finishes. The structure in chrome with a shiny black finish supports a spherical shade in transparent opaque glass and hugs its half top for a striking effect. Contract and commercial certifications available upon request.
