## NEW SECRET 4 CONSOLE

\$13,530

### DESCRIPTION

Refined and modern, this stunning console is part of the Original Sin collection, created by designer Giorgio Ragazzini for VG New Trend. Its wooden top boasts a honeycomb panel with 45-degree joints and an eye-catching lacquered red glossy finish that strikingly contrasts with the blue lacquered interior of its sliding drawer. The drawers, on Salice hinges, is equipped with a decelerator for maximum manageability. The base is in steel with a precious 24k gold cover, which is also the material and coating for the stunning drawer handle, in the shape of a coiling snake.
