NIELS SIDE TABLE

\$1,585

DESCRIPTION

Boasting an elegant total-black look, this side table is ideal for both residential and commercial interior decors. The innovative structure features three crisscrossed legs boasting different geometric silhouettes: round, oval, and squared, for a superbly eclectic look. The round platform in metal recalls the round top, and the whole structure is crafted of solid ash wood. The piece is customizable in height and shape of top upon request, ask the Concierge for details.
