Kiasmo

NIGHT SET OF SIXTEEN TILES

\$690

DESCRIPTION

Part of the Bossage series, this set of 16 tiles will add elegance and sophistication to a bathroom or a kitchen backsplash, thanks to its timeless black and white color combination and, most of all, to the use of simple geometric patterns that create a tridimensional design. The optic illusion produced by paint is a signature style of Kiasmo, whose passion for architecture on two-dimensional object is evident in this set. The tiles can be arranged to create different effects and can be combined with other sets from the same collection.
