FURNITURE : SEATING : ARMCHAIRS

*Bodema*

**NINA ARMCHAIR**

\$2,350

## DESCRIPTION

The design of this armchair draws inspiration from traditional shapes, interpreted in a contemporary aesthetic. The curves of the back adds a delicate accent that is mirrored in the armrests, inviting to lounge by the fire with a good book. The wooden structure supports polyurethane foam with 40kg/3m and 35kg/3m densities. The lumbar back pillow is included and the visible wooden base is dyed walnut, wenge or any RAL color upon request. The non removable covers come in a peacock blue velvet with tonal piping, also available in other fabric color - please ask the Concierge for customizations.
