NINA PENDANT LAMP

\$2,770

DESCRIPTION

Washed in a shimmering polished chrome finish, this pendant lamp is a dramatic addition over a dining table or in a chic entryway. The ecru fabric shade is visually balanced by the conical cascade of dangling strings of royal-cut crystals embellished with double rings that emerge from underneath with glimmering elegance. The illumination is provided by four E14 max 5W lightbulbs. This pic is available also with polished gold, satin gold, or satin nickel finish, and with Swarovski crystals, please ask the Concierge for details.
