Paola Paronetto

NINFEA PINK AND LIGHT BLUE CENTERPIECE

\$825

DESCRIPTION

Handcrafted by expert hands of paper clay, a material obtained by integrating paper fibers into the clay mixture to create a unique tactile effect, this stunning centerpiece is composed of two cylindrical elements matching a pastel pink hue with blue. Due to its handcrafted nature, this piece is unique and may slightly vary in size. Every one of Paola Paronetto's creations is unique. Slight variations in shape, colour and size are to be considered a guarantee of authenticity and value. They are finished with non-toxic satin-finish enamels. Although very rarely, it is possible for them to leak after long periods of exposure to water. It is therefore advisable to test their water resistance before using them on delicate surfaces. They should not be used as dining utensils. The white pieces can be washed with water or sanitizing products, whereas the coloured pieces must be treated more gently and cleaned with a feather duster or a soft cloth, dry or moistened very slightly with water.
