NINFEE SIDE TABLE IN SATIN BRASS BY ALESSANDRO MENDINI

\$2,575

DESCRIPTION

This charming side table was crafted entirely in brass and its structure comprises three legs joint together by a triangular structure at the center. The top has an irregular silhouette with sharp corners and straight lines that is adorned with an intricate series of abstract arabesque decorations adding a gentle touch to the piece. Either alone or combined with other brass objects by the same designer, this piece will to enrich a modern living room.
