NOLITA SIDE TABLE

\$1,670

DESCRIPTION

This modern interpretation of this iconic piece of living room furniture, NoLita is an elegant side table that features geometric lines alternating with the straight corners of the square base and of the various cubes that make up the central leg with the round top above them. The metal structure is handmade and finished in epoxy dust with a matte black finish. The top is in Laminam®, ultra-thin ceramic with a charcoal grey finish. The top is also available in the nano tech material FENIX NTM®
