NONTISCORDARDIME RING #1

\$205

DESCRIPTION

Symbol of true love, this masterfully handcrafted forget-me-not takes center stage in this charming ring fashioned of gold-plated brass. Versatile and modern, this piece from the Frida Collection features a single zirconia, whose brilliance is enhanced by the raised crown and curved petals of the flower. This simple yet sophisticated ring is a must-have in any modern-style collection and makes a stunning gift on special occasions. It is also available with two and three flowers.
