NONTISCORDARDIME RING #3

\$290

DESCRIPTION

Captivating in its timeless elegance, this ring possesses an intriguing and style-defining look that will add elegance to both casual and formal outfits. The gold-plated brass structure features two bands fanned out in opposite directions to create a semi-interlocked design: the open ends of the first band showcase two forget-me-not flowers while the second, closed band has one. Small, round zirconia are set in the center of each of the three flowers. A splendid gift for a loved one on any occasion, this ring can be worn with the matching stud earrings for a stylish look.
