NORMANNA MEDIUM FLOOR LAMP IN RUBY PINK AND DARK GREEN BY VI+M

\$2,600

DESCRIPTION

Inspired by the designer duo Vi+M's homeland of Sicily, this elegant floor lamp is a celebration of colors, textures, and modern aesthetic. The elegant ruby pink shade, a sphere crafted of mouth-blown Murano glass, rests on a polished brass base which is shaped as a cylinder and covered with three layers of fringes in a sophisticated dark green color. This exercise in contrasts will make a statement in a contemporary home, where it can be displayed in an entryway, living room or private office.
