**NORMANNA MEDIUM FLOOR LAMP LONDON GREY AND YELLOW
BY VI+M**

\$2,600

DESCRIPTION

This sophisticated and modern floor lamp is a tribute to Sicily, whose striking contrasts and rich cultural heritage are exemplified in a layered piece of strong visual impact. Designed for Purho by Vi+M, this lamp rests on a polished brass cylindrical base covered with dark yellow fringes. The shade is a sphere of mouth-blown Murano glass in a sophisticated London grey hue that adds a contemporary twist to this unique design.
