NORR SKIS

\$4,320

DESCRIPTION

Zero skis are exclusively handmade in a workshop located in the heart of the Italian Alps, where every original design is created with passion, combining unparalleled craftsmanship and technical features. The Nørr skis are designed for off-track skiing and feature a zebra wood exterior covered with alternating triangular inlays of silver metal and iridescent white nacre. The solid structure is reinforced with Titanal and fiberglass to ensure a fluid ski dynamics, excellent flotation and unmatched stability. Vist plates and bindings as well as Zero poles are included.
