NOTOS RECTANGULAR POLYCHROME RUG

\$12,085

DESCRIPTION

A scene where dream and mythology coexist distinguishes the intriguing design of this rug, minutely hand-knotted by Nepalese master weavers as the lush and polychrome floral pile backdrop. Blending fine 52% wool and 48% silk, it will make for an outstanding addition to classic or modern decors alike thanks to its central scene where a wagon drawn by horses seems about to take flight.
