NOVECENTO 201 SCONCE

\$1,060

DESCRIPTION

This stunning sconce is part of the Novecento collection (Nine Hundred, in Italian), evoking the exquisite and geometric style of some of the main designs of the past century, especially Art Deco. Entirely made of brass with a gold finish, this piece features a symmetric silhouette with an interplay between straight lines and curved elements for a timeless allure. This wall lamp will add glamour and warmth to an entryway or powder room, where it can be paired with a twin to flank a mirror.
