NOVECENTO 203 SCONCE

\$1,410

DESCRIPTION

Part of the Novecento collection that hints at the elegance and timeless allure of the 20th century (the name means Nine Hundred), this sconce has a linear silhouette and a classic inspiration. Thanks to its simple shape and the use of brass with a gold finish, this piece will be equally striking in a traditional and a contemporary decor, where it can be used to enliven any wall in the house.
