LIGHTING : TABLE LAMPS

Laura Meroni

NOVECENNOTRENTA TABLE LAMP

\$8,320

DESCRIPTION

The sculptural design and imposing size of this exquisite table lamp make it a precious light source on a desk, side table, or entryway console. Its unique structure is made of brass with a burnished finish, methacrylate, and goatskin. Inside, the LED 3000K light is reflected by the different surfaces of the lamp, creating a delicate ambiance. A tribute to the avant-garde aesthetic character of the '30s, this architectural piece will be a stunning sculptural accent for tables in a modern or contemporary interior
