NOVEL VASE

\$410

DESCRIPTION

This unique vase is part of the I Piccoli Collection, a series of handcrafted pieces of mouth-blown Murano crystal distinctive for their small size and exquisite design. This vase is adorned by hand with a pattern of thick red bands alternating with dark solid spots for a striking effect. Each vase is unique, part of a limited series of 333 items that are signed and dated by the artisan who crafted them. This vase can be used as a striking sculptural accent as is or with flowers and can be combined with the others in the same series for a stunning visual effect.
