NUVOLA SIDEBOARD

\$8,280

DESCRIPTION

This exquisite sideboard is a superb example of fine craftsmanship and unique design. Its timeless allure makes it a striking piece of functional decor to display in an entryway, living room, or dining room. The structure in cherrywood is adorned on the side, top, and front with solid brass panels that were engraved and etched with a geometric pattern that evokes a cluster of clouds. Both rigorous and delicate, this piece will make a statement in any home. Size and finishes can be custom made, please ask the concierge for details.
