## OBLÒ B CABINET BY MATTEO ZORZENONI

\$6,705

### DESCRIPTION

Boasting an elegant rounded silhouette, the Oblò B Cabinet designed by Matteo Zorzenoni has a white-lacquered ash wood frame raised on a four-legged metal base in a pastel blue finish. The distinctive feature of the collection is the cut-out design of the doors, with alternating circular and oblong shapes recalling a ship's porthole (oblò in Italian), covered with extra-clear glass, that allows one to catch a glimpse of the items stored inside.
