San Patrignano

OCEANSIDE DUVES PILLOWCASE

\$160

DESCRIPTION

Solesempre is a line of products handmade by the community of San Patrignano in Italy; the largest, most successful drug rehabilitation center in the world. During a four-year program, residents are intensely trained within a metier of craft. This lining in luscious cash wool yarn, is a unique intertwining of spirit and nature, handwoven on a reproduction XVII century loom, combines various weaving techniques and subtle color shifts to give a twist of sensations. Design is the historic archive with colors freely inspired by modernist abstract painting. This product represents the level and beauty of the residents' work. "Solesempre" will bring light, promise, and comfort to the everyday. Stuffing not included. This is a charity project, 100% of profits will be devolved to the community of San Patrignano.
