### OCI CENTRAL RUG IN BROWN

\$1,260

#### DESCRIPTION

The word "oci", that gives the name to this striking collection of rugs, means "eyes" in Venetian and it is also used to refer to the windows of Venetian buildings. These pieces are made by hand using 100% New Zealand wool and feature modern and sophisticated color block decorations. In this case, the palette is warm and inviting, featuring pink, brown, and coral red decorating the rectangle of the rug's surface with its delicately round short sides. Custom sizes upon request, please ask the concierge for details.
