**OCI LEFT RUG IN GREEN**

\$1,260

## DESCRIPTION

This unique rug is a splendid example of the combination of traditional craftsmanship and contemporary sensibility. The result is a modern and sophisticated piece that can be displayed alone or combined with the other pieces from the OCI collection (a word that in Venetian means "eyes" and it is also used to refer to buildings' windows). A color block decoration graces the elongated hexagon of the rug's silhouette featuring mint green mixed in with dark and light brown. Custom measurements available. Please ask the concierge.
