## ODETTE CHAIR

\$2,190

### DESCRIPTION

This refined chair interprets the classic bentwood design in a contemporary key, bringing in the spotlight the craftsmanship of curved wood. Entirely handcrafted of solid oak, this chair is made of 28 hand-assembled pieces in an open silhouette with pronounced curves. The generous seat is enclosed in a continuous frame where the front legs flow seamlessly into the armrests and the back legs into the exquisitely rounded backrest. This piece is part of the exclusive event "Stranger Pinks" hosted by Artemest for the Fuorisalone during Milan Design Week 2018.
