ODILIA SIDE TABLE

\$1,690

DESCRIPTION

A classic piece with an avant-garde twist, this stunning side table is a functional work of art. The distinctive silhouette features a blue spherical body wedged between a square table top and a solid square base, both with a glossy, dark wooden finish. Sculptural allure and aesthetic balance come together in this functional work of art, making it the ideal place for showcasing tall-stemmed flowers or priceless vases. A focal point in an entryway, living room or study lounge, this handcrafted piece will infuse bold character into any minimalist interior.
