## ODISSEY PENDANT LAMP BY MASSIMILIANO RAGGI

\$9,810

### DESCRIPTION

Massimiliano Raggi designed this striking pendant lamp that will enrich a retro-chic or modern interior, thanks to its well-balanced elements and the rounded corners of its silhouette. The structure is in bronzed metal and ebony with a glossy finish that envelops the ridged borosilicate glass shade. The rose ceiling has a diameter of 19 cm, while the stem's height can be customized by contacting the Concierge. The light is an LED strip 56W, 3000K temperature, and 2900 lumen. The standard output is 220V but the different voltage can be selected upon request. This piece is CE certified.
