LIGHTING : TABLE LAMPS

Carlo Moretti

OFFICE TABLE LAMP

\$880

DESCRIPTION

This magnificent table lamp was designed by Carlo Moretti in 1994 and is a timeless statement piece that will enrich any interior. Its silhouette is inspired by the traditional banker's desk lamps, reinterpreted with delicate and sinuous lines that evoke the gentle landscape of the lagoon around Venice. The entire piece is crafted by hand of mouth-blown Murano crystal and finished by hand with a stunning milky white finish.
