OFFSET RECTANGULAR BRASS AND ALABASTER SCONCE

\$2,195

DESCRIPTION

Part of the signature Offset Collection, this refined wall sconce displays a distinctly Art Deco allure, with its elegantly stylized geometric elements. Featuring a vertically slanted rectangular satin brass base with a harmoniously oblique rectangular diffuser crafted of superb Italian alabaster with fine brass details. The LED lights create a stunning backlight effect combined with the brass, highlighting the alabaster's exquisite crystalline allure with warm glow. A captivating piece for any contemporary wall, both as a standalone or in multiples.
