## OIL & VINEGAR - SIO2 TABLEWARE GLASS COLLECTION

\$510

### DESCRIPTION

These two small cruets are suitable for holding condiments such as Oil and Vinegar. The base with its large handle allows to easily carry the pair of cruets. Part of the SiO<sub>2</sub> tableware collection, it has an aesthetic linked to the world of chemistry and its laboratories. The pieces make up a puzzle with multiple interlocking possibilities according to every table. Entirely handmade in Italy by a master glassmaker in borosilicate glass (Pyrex), a type of glass much more resistant.
