OLEANDRA LOUNGE CHAIR

\$3,490

DESCRIPTION

The standout element of this comfortable and stylish lounge chair is the lack of armrests that adds visual and structural lightness. The seat is in a distinctive egg shape that is the result of a complex woodworking process. The structure is in ash with wenge stain has wooden ribs that give it stability, while the frame is in 40kg/3m density polyurethane upholstered in velvet. The tufting of the cover adds a sophisticated flair to this versatile chair that can be added as an accent piece in a living room, bedroom or entryway. Contract and commercial certifications available upon request.
