OLYMPIA GRAY CHANDELIER 12 LIGHTS

\$5,475

DESCRIPTION

This exquisite chandelier harmoniously combines traditional craftsmanship and contemporary design. Entirely crafted of smoky-gray, mouth-blown Murano glass, the elongated central body with a crystal topaz sphere accent is supported by a shiny metal rod and chain. Twelve curved arms extend from the cup-shaped base, culminating in a disc-shaped light-holder. The smooth and sinuous lines of this remarkable piece create a sophisticated silhouette that will complement any decor.
