## OMERO PLATE IN GRAPHITE MARBLE

\$170

### DESCRIPTION

This round plate/serving plate in Graphite marble exudes effortless sophistication. Featuring a minimal circular concavity to properly suit its function, the piece showcases bright white veining creating a charming contrast with the granite hue of the precious stone. The understated and essential flair inspiring this plate will be a perfect match for refined contemporary decors. Several types of marble are also available for this design, please inquire with the Concierge for further details.
