OMINI DIVER SHORT CANDLESTICK IN POLISHED BRASS BY STEFANO GIOVANNONI

\$170

DESCRIPTION

This delightful polished brass candlestick is a creative accent for any modern interior. Ideal for displaying tall dinner candles, the minimalist design is marked by a bulbed bobeche with a wide rim supported by a short column and a flat base. A small figurine stands at the edge of the bobeche, positioned to dive gracefully from the brass platform, a charming detail that enhances the candlestick's subtle allure.
