**OMINI LAZY CLIMBER CANDLESTICK IN POLISHED BRASS BY STEFANO GIOVANNONI**

\$330

## DESCRIPTION

Marked by a timeless minimalist aesthetic, this sculptural double candlestick is a modern take on a traditional piece of home decor. Made of polished brass, the piece features two rounded bobeches with wide rims, two long, curved arms, and a flat base. Two small figurines complete the piece, one lazily hanging off an arm while the other rests comfortably against the main column. Perfect for showcasing tall, taper candles, this candlestick will elegantly illuminate any dining table.
