OMINI PEN & CARDS TRAY IN POLISHED BRASS BY STEFANO GIOVANNONI

\$320

DESCRIPTION

This striking pen and card tray will add effortless elegance on a desk in a modern or classic office. The minimalist frame is marked by an upside-down V-design and a ridged base. As a unique finishing touch, a small figurine of a man effortlessly hangs over the top tray, seemingly peering down at the contents. This elegant object can be arranged with other pieces from the Omini collection to add whimsical flair on a desk in a private studio, and will be the perfect graduation or housewarming gift.
