ONDA SILVER MIRROR

\$5,040

DESCRIPTION

The effortless elegance of this exclusive mirror results from the combination of a geometric shapes and textures that convey a sense of fluidity and relaxation. Mounted on a 5mm-thick hexagonal glass support covered with silver metallic luster, the smaller oval mirror displays a delicate decoration that reproduces the rippling effect of weaves ("node" in Italian). The hand-brushed design is created with blue ceramic enamels that melt on the mirrored surface during the tempering heating process, resulting in a striking chromatic effect. Please ask the Concierge for available customizations.
