ONDE PLATE

\$190

DESCRIPTION

Captivating and elegant, this ceramic plate features an eye-catching geometric pattern of overlapping concentric circles in gradients of teal, aquamarine, and gray on a white background. Entirely crafted and painted by hand using a brush, the watercolor effect gives this exquisite plate an earthy yet modern allure that will enliven any interior decor. Perfect as a centerpiece on a rustic table, this plate can be displayed on a wall with the others of the same collection using holes in the back. The colors can be customized upon request to suit the customer's interior needs.
