ONEGA ESPRESSO CUP BY MATTEO THUN - MEMPHIS MILANO

\$290

DESCRIPTION

Part of a series of tableware complements designed by Matteo Thun, this espresso cup is made entirely of white porcelain with a conical bowl resting on a semi-spherical base and supported by semi-circular elements with scalloped edges. Reinterpreting from a Futuristic point of view the iconic presence of an espresso cup in any Italian household, this is a whimsical and modern object of functional decor that can be paired with the other items made by the artist for Memphis. The bowl holds 40 ml.
