OCTAGONAL VENETIAN MOSAIC MIRROR

\$9,350

DESCRIPTION

A masterful mosaic in Murano glass embellishes this octagonal mirror by Venetian atelier Ongaro e Fuga. The piece is clearly distinguished by the mosaic depicting a floral motif, which is just a fraction of the frame decoration. This also includes eight rows of golden and red spiral rims, welded together thanks to 36 Murano glass flowers and leaves. Like the Re Sole mirror, this is one of Ongaro e Fuga signature pieces.
