OPALINO OXBLOOD RED AND POWDER PINK VASE

\$1,110

DESCRIPTION

An extraordinary showcase of refined materials and mesmerizing shades, this vase will make an iconic statement in any decor style. Handcrafted following the 15th-century opaline technique that combines milk glass and oxblood red-colored glass, its luminous flair is enhanced with a layer of gold leaf, and a delicate powder-pink interior. This stunning design rests on a clear crystal base.
