OPTABLE WOOD COFFEE TABLE BY MAURO DELL'ORCO

\$6,590

### DESCRIPTION

Carved out of solid walnut wood, this refined table merges innovative design and traditional craftsmanship. The smooth linearity of the exterior surface contrasts with the undulating pattern running along the interior profile of the table. The table design is elevated with the addition of a magazine rack, whose exterior recalls the table's interior curved pattern. This captivating table will be a luxurious detail in any living room decor.
