## DESCRIPTION

This elegant armchair, designed for children or pets, evokes the glamour of the classic tub-bergere style, reinterpreted using modern materials. The wooden frame features exquisitely carved front legs with a brown Corten finish that extend into the profile of the curved silhouette of armrests and back. The back is enclosed in a shell-shaped structure with a "Grey Jeans" finish that includes the sinuous legs. The cushioned seat is upholstered in beige leather. This unique design by Carlo Rampazzi will be best showcased in the middle of a room to display the full details of its exuberant design.
