DESCRIPTION

This stunning and versatile sideboard will be a superb addition to an eclectic home, where it will provide a living room, dining room or even entrance with ample storage space, while also imbuing a unique sense of movement that will not go unnoticed. The wooden frame of the piece comprises a simple rectangular body with two central doors covered in leather with an aged finish. The standout feature of this cabinet is its carved wooden legs that wrap it and add a texture contrast, thanks to their sinuous curves covered in Crazy Glass finish. Designed by Carlo Rampazzi.
