## OPUS GARDEN BLUE SOFA BY CARLO RAMPAZZI

\$7,310

### DESCRIPTION

Part of the Opus Garden Collection, this versatile sofa merges an industrial-inspired design with a classic silhouette in an iron frame with rust-proof finish perfectly suited for outdoor use. Characterized by attention to detail and rigorous execution, the sculptural, open frame design is fashioned of hand-bent iron rods flowing into a continuous line, from the flared legs to the curved armrests into the round back. Seat and backrest feature comfortable cushions matching the cobalt-blue shade of the frame.
