## ORFEO DECORATIVE MOSAIC

\$590

### DESCRIPTION

The dream-like allure of this superb mosaic will imbue any decor with a superb decoration that can be displayed alone or combined with the other two pieces from the Trittico Venezia series. Its pattern was inspired by the classic Fortuny design and boasts a series of glass tiles in purple and silver leaf over a striking black background. The piece is supported by a wooden base and enclosed in an oxidized iron frame with a transparent matte finish. This stunning decorative object is also available in customized measurements and colors, upon request, please ask the Concierge for details.
