Diego Dutto

ORGANIKALL SCULPTURE BY DIEGO DUTTO #1

\$2,340

DESCRIPTION

Defined by its organic shape, this item can be used as a sculpture or as a practical, two compartment coin tray. It is made from ivory resin that is enhanced by a brownish yellow finish. Each item is made individually without a mould, making it totally one of a kind. This piece is part of the Turin-based artist's Organikall collection.
