**ORIENTE ITALIANO AZALEA CANDLE WITH LID**

\$250

## DESCRIPTION

Part of the Oriente Italiano Collection, this is a stunning decorative candle (cc 300). Entirely made of porcelain with a cylindrical body and triangular lid, this container is decorated with an exuberant color combination of deep blue and pink and a Far East-inspired decoration. Crafted in the tradition of Florentine ceramics, this elegant piece evokes exotic landscapes, depicted using the airbrush technique. Gold accents complete this design for a sophisticated final effect.
