GINORI 1735

ORIENTE ITALIANO MALACHITE CANDLE WITH LID

\$265

DESCRIPTION

The container of this cylindrical candle (cc 300) is a decorative piece topped with a triangular lid. Both made of fine porcelain, these pieces are adorned with a design from Oriente Italiano. Drawing inspiration from the Far East and combining a vivid green background with dark blue elements, Richard Ginori's craftsmen created a unique piece that exudes exotic allure and sophistication. Gold accents complete this splendid piece that will create a refined ambiance in any room in the house.
