ORIGAMI GOLD NECKLACE

\$340

DESCRIPTION

Part of the Origami Collection, this necklace was crafted by hand of brass with a gold plating. The cut-out silhouette, the distinctive feature of this series, is open and ethereal, swaying along with the movements of the body thanks to a series of flexible joints. This luminous piece is a stunning addition to a modern wardrobe, either showcased with a casual outfit during the day or used to enrich an elegant dress on a special evening.
